

# RESNIK CLC

## WHY CHOOSE RESNIK CLC?

- New school opened in 2006
- An International Baccalaureate (IB) Primary Years Programme (PYP) World School — IB is an international education program that prepares students for a lifetime of learning
- Free breakfast/lunch
- All students receive a free Chromebook
- Active PTA
- eSchoolPlus Home Access Center — An online system that provides information for parents
- School-wide student planner system — Teaches organization skills and ensures completion of work
- Academic support programs, including Akron After School
- Clubs to encourage student involvement and engagement, including drama and newspaper
- All students learn French
- Every Kid in a Park — A program that gives grade 4 students and their families free access to hundreds of lands, parks and waters for an entire year
- Fun school events for students, including book fairs
- Weekly instruction in music and art by a licensed music and art teacher
- Grade 5 students participate in beginning instrumental instruction
- Essential Experiences — With funding from the GAR Foundation, all K – 5 students participate in a meaningful, co-curricular experience outside the classroom
